# Being One of the Girls

## Chapter 1

### *D'Unbelievables - D'Builders*

*“What did he say, Anto?”*

*“He can’t make it. Something about being tied up. I don’t know what could be more important than kicking a ball around with the lads.”*

*“Right, let’s get back to work. The sooner we finish this job the sooner we can kick that ball around. Time to get this old church back looking like new.”*

*“You’re ready now, Gráinne. Let’s bring in Sorcha.  
And then you have to meet Éibhleann.”*

*“There’s a fourth one? Praise the Lord!”*
