

# Combustion in Rockets

## Part III

*By Ciarán Handley*

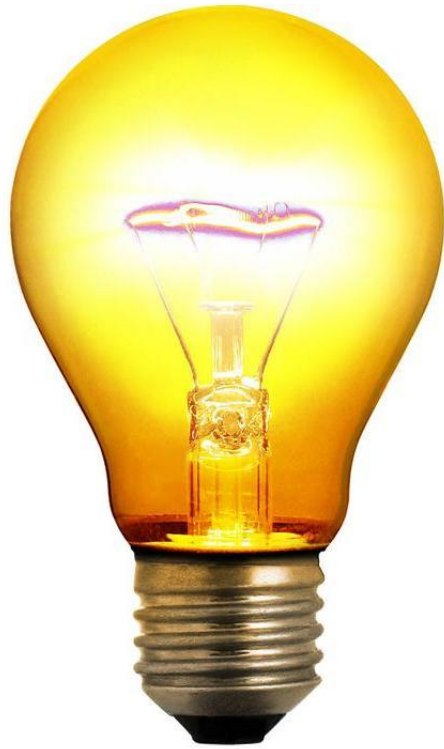

*9<sup>th</sup> October 2020*

# Combustion in Rockets Chapter 1

*With that change in nozzle design, now all of the combustion happens within the engine **and the nozzle***

In this case the nozzle is seen as *an extension of the engine.*

*Mission Impossible Solved!*

*Mission Impossible II*

# Combustion in Rockets

**End of Part III**
