Introducing my Political Party

Chapter 1

*I'm really looking forward to introducing you to my New
Political Party*

[Galaxy Quest - Opening](#)

But right now it's still just me. For now. I'm still in exile and I cannot afford to pull together a team for my Political Party. Actually I am still broke and so I cannot afford anything. But as soon as I can pull things together and get a team, then I really look forward to introducing them to you.
