

Race for the Moon

Part III

By Ciarán Handley

22nd November 2018

Will No One Meet My Challenge? Chapter 1

I am going to build a Space Agency and ensure that the next words spoken on the Moon will be in Irish

As the greatest aerospace engineer in history I will ensure that Ireland is first back to the Moon. Once I get my opportunity then no-one else has a chance against my superior intellect.

Once the Space Race begins it is then a race for second place.

Will no-one meet my challenge?
