# The Road to Taoiseach

## Chapter 1

*If you are interested in setting up those X-Girl schools  
then get me in as Taoiseach*

If I set them up they are set up as **X-Girl** schools. If anyone else attempts to set them up they become **T-Girl** schools. The psyche of an X-Girl is a brand new phenomenon. I am the **only one** who knows how to do this. So, who do you want to be Taoiseach?

*If anyone else attempts it then those school might start  
off as schools where boys could come in as girls to  
women*

*But they wouldn't stay that way for long*

Without an understanding of the psyche of X-Girls, which only I possess, I can absolutely guarantee it.
