Signorina Órla & Señorita Gwendolyn

Chapter 1

Gwendolyn and Órla are out in a bar and a guy approaches them

A guy comes up to them. “Hi, I’m Bob”, he says.

“Hi, I’m Señorita Gwendolyn and this is Signorina Órla.”

So straight away it is understood that they are both natural-born males. Neither of them are natural-born women. Gwendolyn is into guys and her introducing herself to Bob as *Señorita* indicates that she is interested in Bob.

As for Órla it is clear up front that she is not interested.

Chapter 1

Gwendolyn and Órla are out in a bar and a guy approaches them

A guy comes up to them. “Hi, I’m Bob”, he says.

“Hi, I’m Signorina Gwendolyn and this is Signorina Órla.”

So straight away it is understood that they are both natural-born males. Neither of them are natural-born women. Now Gwendolyn may be into guys but doesn’t mean that she is interested in Bob. It depends on the guy. Or she might already be dating someone. She might not be single. If she wasn’t interested in Bob and wanted to get rid of him she could simply introduce herself as *Signorina*.

Introducing herself as Signorina says that she is not interested in Bob sexually.

As for Órla it is clear up front that she is not interested.

Chapter 2

Gwendolyn and Órla are out in a bar and a natural-born girl approaches them

*A girl comes up to them.
“Hi, I’m Sorcha”, she says.*

“Hi, I’m Señorita Gwendolyn and this is Signorina Órla.”

Gwendolyn introducing herself to Sorcha as *Señorita* means that she is not interested. She is saying that she is for guys.

As for Órla, she is most certainly interested in girls and in being chatting up by a girl. *Signorina* indicates this.

*“Pleased to meet you, Sorcha.
I’m Señorita Gwendolyn and this is Signorina Órla.”*

This is saying that Sorcha can chat up Órla. Gwendolyn is not interested in being chatted up but she may be very interested in chatting.

In this case Gwendolyn is cruising for a guy and Órla is cruising for a woman

As for Órla, she is most certainly interested in girls and in being chatting up by a girl. *Signorina* indicates this.

*“Pleased to meet you, Sorcha.
I’m Signorina Gwendolyn and this is Signorina Órla.”*
