## Chapter 1

*Slí Éamon de Buítléar*

*The cliff walk I take is called “Slí Éamon de Buítléar”,  
which means “The Éamon de Buítléar Way”*

Éamon de Buítléar was an Irish musician, writer, environmentalist and film maker who was particularly known for his nature programs. A native of Bray, where I live, the cliff-walk was named in his honour.
