# The Great Schools

## Chapter 1

### Ashford Castle

*Golden Age failed. The Great Schools were blocked.  
I was prevented from setting them up.*

Please, governments, stop blocking me from teaching. Stop blocking me from releasing my knowledge. Stop blocking the fucking Golden Age. What the fuck is wrong with you anyway?! Golden Age is the most significant event in history. Why are governments so fucking determined to block it?

Please, governments, secure me Ashford Castle. Just buy it for me, secure it for me and give to me. And let me start doing my fucking job. Wake up!

This one I am dedicating to Ellen and Liam.
