## Chapter 2

*As a guy I've always struggled with women*

As Ciarán I've never seemed to know quite what to say. I'm pretty good with engineering. But I have struggled with women.

But then a new energy came in. Transfigurations energy. It came when I started to think like a woman. Now the first glimmer of understanding begins to come. Slowly. Perhaps very slowly. But it begins to come.

## Chapter 3

*What he did in healing was not possible*

But he did it anyway.

They called him John Doe, for he could not remember his past. He had severe memory problems. When they found him, he was critically injured. Left for dead. And unable to walk. But he had an unusually high ability to heal.

## Chapter 4

*John Doe achieved Ascension*

It was to have triggered the Ascent of his people. But the governments saw his knowledge as a threat. So they tried to take him out.

# The First Jedi

## Chapter 1

*The Tao is the Force.  
Achieving the Tao unlocks Jedi ability.*

I am the first of my kind. I am the first of the Jedi.

I have to pass on my knowledge. I have to train Jedi.
