Way of the Dragon

Chapter 1

Bruce Lee

Bruce Lee had Rank of Dragon

Here is how he achieved it.

Bruce Lee's Back Injury

I can relate to this. My back was shattered in 2013. I had to learn to walk again. Over these past three years I have thrown myself into writing. Writing of the Tao. Of technologies. Of Golden Age. It has been cathartic. It helps with my healing.

Much of my writings were destroyed to prevent them from falling into the wrong hands. Including everything on engineering, computing and aerospace. There was no choice. But I can really relate to Bruce and his book.

*There are those who doubted that Bruce would ever walk
again*

But he did.

Enter the Dragon

As will I too.

Perfectly normally, one day.
